NEW UPDATES FOR 2017

AUTOBOX® ABX-PRO

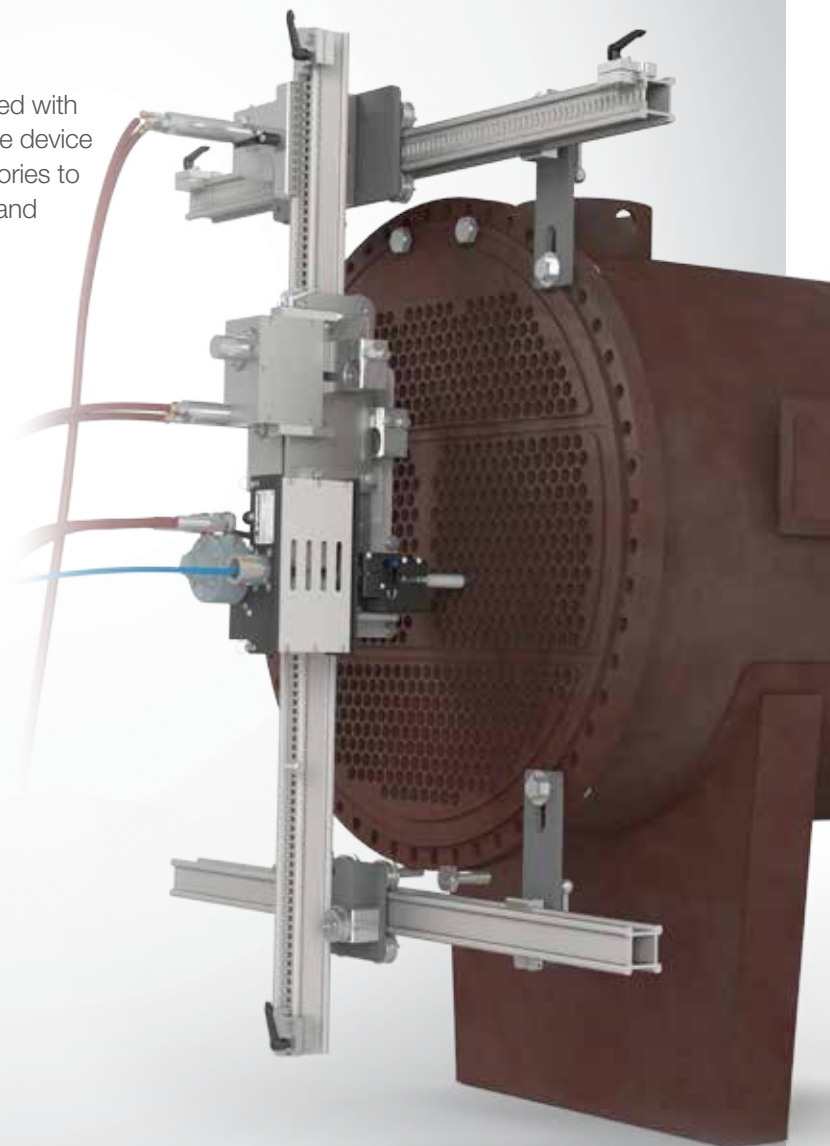

The AutoBox ABX-PRO is a hose feed tractor engineered with safety, portability and quick set-up in mind. This versatile device is designed with multiple mounting options and accessories to adapt it for a wide variety of small diameter pipe, drain and tube cleaning applications.

The ABX-PRO is the perfect tool for limited access applications and includes a lightweight control box for increased safety and mobility.

FEATURES:

- Ultra portable system design
- Interchangeable rollers to accommodate multiple hose sizes
- Independently adjustable forward and reverse feed rate to customize dwell time
- Ergonomic control box
- Multiple mounting kits available for tube, pipe, and drain cleaning
- Add hose rotation with NAV-170-PKG accessory for cleaning pipe with multiple bends (page 39)

Package it with **AUTOPACKS!**
See pages 6-7 for details

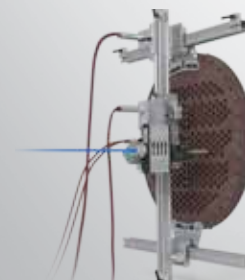

LIGHTWEIGHT CONTROL BOX
Has 12 in. (305 mm) of height adjustment for standing or sitting applications

4 SETS OF ROLLERS
Handle rubber covered hose sizes from 3/2 to 8/4 and 3/8

COLLET BLOCK BACK-OUT PREVENTER
Increases job site safety by preventing high pressure tools from backing out.

GUIDE TUBES
Handles a full range of guide tubes – no adapters required.

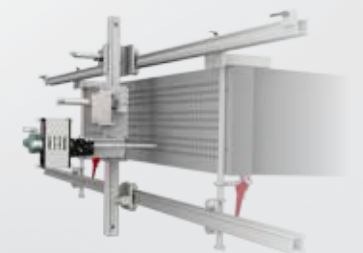

ACCESSORIES

LIGHTWEIGHT POSITIONER
Proven versatility, quick and easy to install. (page 16)

HOSE CONTAINMENT
Protects hose and improves workplace safety. (page 17)

FIN FAN ACCESSORY
Adapts the AutoBox family to clean Fin Fan style exchangers. (page 18)
