

Product Obsolescence Notification

Issue Date: September 13th, 2018

Dear Customers,

The purpose of this notification is to announce the obsolescence of the following product.

Part ID	Description
BJ 360	Backout Preventer (roller style)

The Key Milestones in this obsolescence process are:

1. Formal Notification of Obsolescence November 29th, 2018.
2. Orders for these products are no longer accepted.
3. Replacement parts are no longer available for purchase after March 1st, 2019.

Support Part Options:

StoneAge will no longer support items for the above assembly after the date afore mentioned. Support parts may have a significant lead time and are subject to price change; please call for a quote to ensure proper pricing and to obtain lead time estimations.

Alternative Product Options:

In lieu of the obsoleted product, we recommend the following product:

Part ID	Description
BOP 360	Back Out Preventer Assy

If you have any questions, please contact your account representative or me directly. Thank you.

Regards,
